*Welcome to 2024! We hope your holiday season was peaceful and spent with the ones you love. We had a great December in the dance studio with lots of holiday cheer and games. Thank you to everyone who came to our Holiday Jingle, we had a cozy night in with a movie, snacks, and hot chocolate! And even a special visit from Santa!*

*You'll see the studio begin to fill with costumes now as they start to be delivered. This is one of the most fun parts of dance! Our staff will be busy trying the costumes on ensuring a proper fit for dancing, and steaming the wrinkles out in preparation for you to take them home during our March Visitor's Weeks. We are excited to show you the recital and competition pieces we've begun working on!*

## Mini Showcase

On March 24, our Solo, Duo, Trio, and Small Group routines will perform at the Broadway Theatre in preparation for our competition season. All are welcome to attend!

For clients paying by **e-transfer**, passwords should still be set with the year the season started.

## Studio Pictures 2024

April 14 - 21, 2024

We are so excited to transform our beautiful space into a photography studio! Your dancer will come in their costume, hair, and make-up to be included in the photo. Purchasing is not required, but we would love your dancer to be a part of the class picture. We welcome Tonya Wanner Photography back into the studio for another great year of dance photos!

We will have some competitive rehearsals running in our upstairs studios during photos, to ensure our routines remain clean and polished during the competition season. A detailed schedule will be released closer to April. We may not need all of the days allotted, but have plenty of days booked off in case they are needed.
