Visitor's Weeks begin later this month! A schedule has been created to stagger which classes have visitors to ensure the hallways and parking lots do not get jammed. Please double check which date you are being invited to visit. We're excited to show you what we've been working on!

Handle With Care

We understand your child may be experiencing difficult moments outside of the dance studio, and we want to be there for support.

We also understand you can't always share details with us, and

that is ok. If your child is coming to dance after a difficult experience, please email us "Handle With Care". No questions

will be asked, nothing else needs to be said, and we'll let your

child's teacher know. That way, we can provide a little extra

patience, help, and love to your dancer during a difficult time.

Reminders for our KDF students:

~ Boot clips have now been placed in the lobby to attach to your boots or shoes if you have a common brand. We would like to help prevent mix-ups, so if you have a popular looking shoes please use the clips to ensure you know which are yours at the end of the night!

~ If using the student lounge fridge or counter area to store your food, please make sure you write your name down and double check you are taking the correct food! We have had some instances of kids eating lunch that is not theirs – please double check!

Costumes

You may have noticed Miss Rachel and Miss Cara measuring for costumes! These will be ordered within the next month and delivered to the studio in the new year. Your costume deposit will be used toward the cost of the costumes and the remaining balance will be charged to your accounts in February of 2024. Our costumes are meant to help your dancers shine onstage and enhance the performance of their dance! The measurements will be carefully taken to ensure the costumes fit well for the big show.

Recital Week

When: May 22 - 25, 2024

Where: Lakeview Church Auditorium

For our parents who are new to dance or new to the studio, we want to take a minute to welcome you and give you a little insight into this whole “dance studio world”!

Our whole season builds toward the Big Finale at the end of the season: Recital! This is a chance for the dancers to perform and show their audience all that they’ve learned through the year. Our recitals are held at Lakeview Church which has a beautiful theatre with professional staging and lighting. During recital week, we have 2 “Junior” shows and 2 “Senior” shows. We like to keep our Junior show at a shorter length so our young dancers don’t have to have a very long performance day. 2 performances for each show allows the dancers to have more chance to shine on stage, and it allows us to have parents volunteer to help at one show and watch the other. The dancers always come off stage gushing over how special it feels to perform for their family and friends!

More information regarding the recital will be released to you in the coming months. Please keep your eye open for any new info, and let us know if you have any questions!

Junior Show Participants

Preschool, Pre-Primary, Primary, & Grade 1 Intro Ballet, Pre-Junior Intro Tap/Jazz/Hip Hop, Pre-Junior Adv Tap/Jazz/Hip Hop, Junior 1 Intro Tap/Jazz/Hip Hop, Level 1 Foundation classes.

All other groups are in our Senior show.
