## October Dance News

**September was such a wonderful start back to dance for our whole staff. This first month has flown by full of excitement, hard work, and lots of fun getting to know new faces. So many exciting things are coming up at KDF!**

 Bring A Friend Week is coming October 10 – 16! Applicable classes will receive one invitation per student for a friend to come try their dance class for FREE! No previous experience is required! We can't wait to help you show your friends your home away from home.

 With Halloween at the end of the month, get ready for our Annual Spirit Week running October 24 – 30! Dress up in your costume or some fun orange and black, and enjoy a little bit of spirited fun added to your class.

 We are THE MOST excited about our **HALLOWEEN HOWL!** Your KDF teachers will be hosting a Halloween party for our dancers aged 3 – 12 on Sunday October 29! Details are below and [registration is now open!](#)

 A reminder that the studio will be CLOSED on Halloween Day October 31 so our dancers can enjoy the evening with their families!

## **Bring A Friend Week is coming October 10 – 16!**

We would love to meet our dancer's friends and show them what we do at KDF!

Dancers will be receiving one GOLDEN TICKET to pass on to a bestie you would like to come and enjoy a fun dance class with you at your studio! No specific dress code or dance shoes are required for this class. Athletic clothing is great and socks with grip or indoor runners are perfect. We do require some info on your friend attending so please ask your friend to REGISTER by following the QR code on the ticket and answering a few questions for us. Not all classes will be included due to "safety" concerns or "accelerated technical styles" but we think we have selected some really great options! We hope you will join us!

GOLDEN TICKET for  
Bring a Friend Week!**

## **Spirit Week October 24-30!**

During your child's classes this week, they are encouraged to show off their Halloween costumes or wear orange/black! Please ensure the costume can be easily moved in, and they can still wear their appropriate dance shoes.

**Competitive Ballet/Tap/Jazz Classes coming twice per week,

**Acro** – No costumes for acro class, please. Safety is our number 1 priority in every acro dance class.

**PBT** – Please keep the costume light so you can do your exercises.

## **Please join us for Visitor's Week!**

We can't wait to show you what we've been working on!

Immediate family is welcome to come to a designated time during Visitor's Week(s) to observe regular class. Seating will be on the floor. Siblings are welcome, but we just request they are able to sit for the duration of the class.

### **Visitor's Week(s) will run from November 20 – December 2, 2023.**

Please look at the attached schedule to see what day you can come watch your child's class. We do some adjusting of studios during this time to try and have our Visitor's in our larger studio spaces so there will only be certain days open for Visitors. This information is detailed in the attached document.

#### **Ballet Production Update**

We have already been busy planning our Annual Year End Showcase for the 2023/2024 dance season! For our Senior Show ballet students, we have decided against a full-length ballet production for this year.

Each class will have its own separate routine for the show, as we did last year. We will be looking into ballet productions in the future!

**Clients paying by e-transfer – your payments are now due, please ensure your payment is sent to**

## Costumes

Dance costumes will be ordered for all classes that have a year end routine. Costumes are carefully selected by the teachers to create a memorable performance for your child. We will soon begin measuring your child for their costume and select an appropriate costume and size that will help them shine on stage.

**Costume deposits are now due.** Please login to your parent portal to complete your deposit payment. When costumes are charged to your account in the late winter, the deposit will be subtracted from the total cost of the costume.

## Competitive Groups

We are working on finalizing the competitions we'll be participating in this year. A separate email will be coming out soon discussing competition information. Please keep an eye out for the competitive email!

## Mini Showcase

For Solos, Duos, Trios, and Select Small Groups

Save the Date: **March 24**

Location: Broadway Theatre

We loved the Persephone Theater last year, however they are booked up all spring for a large production.

## Progress Reports

We are very excited to integrate progress reports into our year! Reports will come out twice per year and will give an indication of what areas your child is excelling in as well as any areas that may need more practice. We are preparing these reports to be a very positive experience for the dancers. We want them to feel a sense of accomplishment, as well as communicate some corrections that will improve their dancing.

The reports will be emailed out prior to our first Visitor's Week, and then again near the end of the season. We are looking forward to communicating our students' progress with their families and giving our dancers something to pride themselves on!

## Studio Rentals

Each month, we will make times available for our clients to rent the studio space to practice Solos, Duos, Trios, or Small Groups. Available openings will change from month to month, and Miss Rachel will post on our Facebook [Member's Only](#) page when new slots have been opened.
